

TRING'S OWN APPLE FAYRE

Full Programme

SCAN HERE

A celebration of season:
harvest, apples,
orchards and more.

Tring's Own Apple Fayre is packed with events to promote local food, wildlife, countryside, local shops, community and culture.

An opportunity to discover, reconnect and appreciate.

To make you think or simply enjoy.

It's been a tough year for farmers and growers – food security is increasingly challenging in our changing world.

Climate is changing and biodiversity is under threat.

How can we make a difference?
